AIKEN COUNTY LANDFILL HAULER/PERMIT APPLICATION

ASBESTOS material must have prior DHEC written authorization and County approval for disposal into a designated landfill. For more information regarding disposal call 642-1533.

Mixed C&D and MSW Loads:

Other loads of C&D (construction and demolition) and yard waste must not have lunch waste or household trash type waste mixed in the load. Proper loading will prevent your load being refused due to improperly mixed waste that will have to be separated.

Recycling:

The following materials are recycled by Aiken County and can be delivered, clean of other waste and separated, to the Barden C&D Landfill at 'NO CHARGE'. The Recycling Center is open Monday – Friday from 7:30 am until 3:00 pm.

Cardboard	Mixed Paper (newspaper, magazines, junk mail, pasteboard, books)
Aluminum Cans	Steel cans Soda bottles Batteries (vehicles)
Milk bottles	Scrap metal White goods (washers, dryers, stoves)

Permits: New 2 year Permits are \$25.00. Permits are issued Monday – Friday, 8am – 5pm. Each hauler is responsible for properly placing the permits on each side of the correct vehicle. Failure to place the permit on the proper vehicle could result in forfeiting access into the landfill or result in having to purchase a new permit for proper placement.

Should decals become lost, damaged, or faded due to harsh detergents being used when washing vehicle or sun damage, a new permit will have to be purchased.

Littering:

THERE ARE STATE LAWS AND COUNTY ORDINANCES PERTAINING TO THE PROPER HAULING OF WASTE. ONE SUCH REGULATION REQUIRES THAT ALL LOADS, HOWEVER SMALL, MUST BE COVERED TO PREVENT DEBRIS BLOWING FROM A VEHICLE AND SPILLING ONTO THE HIGHWAYS OR OTHER PROPERTY. Such violations are subject to monetary fines and/or community service time.

Billing:

All landfill accounts are Invoiced on a monthly basis and are mailed by the 5th of the month following the month you incur charges. The total bill is to be paid no later than the **30th**, unpaid accounts after this time will be assessed a delinquent fee of 10% and no less than \$8.00 per account. Landfill access will be denied until account is brought current.

**** All charges are based on fees in effect on the date of delivery as established by the Aiken County Council. ****

I certify that all MSW (Industrial, Commercial, Household waste) disposed of under this disposal request has been/will be generated within Aiken County by the above referenced individual or company or that the individual, company, industry that I haul for has/will be a generator within Aiken County.
